About PayFirst Solutions
PayFirst Solutions has developed Point of Sales (POS) solutions for the restaurant, salon, supermarket, and retail industries. Founded in 2005 by software engineers with experience owning small businesses, PayFirst's software reflects a unique familiarity with the needs of small business owners.

Our Commitment to You

PayFirst will succeed by making you happy. Therefore, we want to help you grow your business. PayFirst Supermarket POS is a grocery store management solution for small to mid-size grocers.   We offer POS hardware sales and leasing, proprietary gift card and loyalty programs, and merchant-friendly PCI-compliant payment solutions.
